**ALBERTA COMMUNITY CRIME PREVENTION ASSOC. (ACCPA)
TO HOST CRIME PREVENTION CONFERENCE IN CANMORE,
ALBERTA**

[ACCPA](#) is excited to host our first live conference in two years at the Coast Canmore Hotel and Conference Centre from May 9 – 11, 2022.

The [conference](#) theme is *Every Voice Counts: Holistic Approaches and Practices in Community Health and Safety*.

This conference appeals to both rural and urban audiences. There's a session on Community Policing Coordinators and Shared Service Delivery in Rural Communities. Another session addresses supporting youth in reconnecting with their communities and redefining themselves.

From Aboriginal Relations and Community Safety, to Designing Safe and Vibrant Communities, to the ins and outs of investing in cryptocurrency . . . ACCPA's 2022 conference covers a broad spectrum of issues relevant to community crime prevention and community safety.

ACCPA connects rural and urban communities and agencies, as well as police services, and Metis and Indigenous groups. Together we promote community safety and well-being.
